

## Preferred Automotive Repair Technicians (PARTs)

## Program FAQs

**We constantly monitor results to ensure we deliver the best repair outcomes.**

- **What is the benefit of this program?** Maintaining the highest standard of automobile repair while reducing cycle time & expense in resolving claims.
- **How does it help settle claims more efficiently?** The participating repairers are industry-leading professionals,

with many I-Car Gold Class certified, which means they have the most up-to-date training and equipment to repair today's increasingly complex vehicles.

- **What is the agent's responsibility as part of this program?** Whenever possible, agents should offer claimants the opportunity to utilize our PARTs repair shop network.
